## 31-Day Scripture Writing Challenge

Explore what the Bible says about the grace and mercy God has shown us through our Lord Jesus Christ. Spend a couple of minutes every day writing these verses in a notebook. You might even want to write down your own thoughts just underneath each passage. Place a check mark beside each one as you complete that day.

When we look at the sacrificial love of Christ's death for us on the cross and God's forgiveness of our sins through it, we can never say that such love was something we deserved by our good character, good will, or good works. Grace is unmerited. Period.
