31-Day Scripture Writing Challenge

Encourage your heart for the New Year by spending a couple of minutes every day writing down these verses in a notebook. You might even want to write down your own thoughts just underneath each passage. Place a check mark beside each one as you complete that day.

Scripture needs to be wrapped throughout your life. It needs to be before your eyes and in your ears and all through your mind. It needs to be in your home and in your locker and on your computer and on your mirror and at your desk. It needs to be talked about and sung about and permeating the music you listen to. When you fill your mind with Scripture, you get to control the playlist of your mind. You become the DJ of your own thoughts.
