Have you noticed this? Whatever need or trouble you are in, there is always something to help you in your Bible, if only you go on reading till you come to the word God specially has for you. I have noticed this often. Sometimes the special word is in the portion you would naturally read, or in the Psalm for the day ... but you must go on till you find it, for it is always somewhere. You will know it the moment you come to it, for it will rest your heart.
