

Scripture Writing Challenge

Put yourself in a grateful frame of mind in November by spending a couple of minutes every day writing down these verses in a notebook. You might even want to write down your own thoughts just underneath each passage. Place a check mark beside each one as you complete that day.

What does being thankful mean? It means that I recognize God has done things for me. When I am thankful, I recognize God as the giver of every good and perfect gift. I recognize Him as the One who watches over me. He is the Keeper of Israel who neither slumbers nor sleeps. I thank God for his protection, care and provision. Every day, in little things and in big things, we need to keep looking to see the hand of God.
